Louix's Jan/Feb 2009 Visit to Australia

7 January – 18 February 2009

On January 7th, 2009, *Sundara Aravinda Ashram* in Melbourne, Australia welcomed the arrival of their beloved Guru for His first visit in over a year. With an itinerary that spanned six weeks, this was the longest period of time that Louix has stayed in Australia (since His two-month visit in 1998). The majority of the events took place in Melbourne, the hub of His ministry in Australia. Guruji also visited His ashrams in Sydney (*Sathya Sananda*) and Hobart (*Prana Shatki*).

The itinerary included the following events: Devotional Singing, Movie Nights, Pranayama, Disciple Training, Guided Meditations, Q&A Sessions, Private Audiences, Media Interviews, as well as Women's and Men's intensives. Guruji also took day outings, shared meals with, and gave personal discourses and guidance to His disciples and devotees. He spent extensive time with the children of the ashram community and personally tended the gardens of His ashrams— one of Guruji's great joys!

Louix often entered profound states of samadhi, and many people were effortlessly transformed by the all-consuming love felt in His presence. It was spellbinding to watch people change from day to day, a process that began with His arrival at the airport and continued for the next six weeks.

Las Vegas Public Events

February 2009

Markus Kasunich (one of Louix's senior disciples) went to Las Vegas to facilitate healing treatments for various clients from February 8th – 14th. As part of his itinerary, he gave a discourse and led a Q&A session for "The Higher Consciousness" Meetup group, in which he covered a variety of topics, including: what it means to walk with a living Master, achieving transformation through the use of various sacred tools, and how to apply universal truths to one's life.

Zimmaron Zsido (another senior disciple) joined Markus in Las Vegas, and, along with Kitty Courtney, they coordinated an event for approximately 25 people. Markus led a guided meditation, and Zimmaron revealed how his life has transformed since meeting Pranananda, as well as various stories that have transpired during his 12-year journey with his Guru. After answering questions from the audience, they showed video clips from the newly-released DVD *A Voice of Eternity*.
