## LOUIX DOR DEMPRIEY FOUNDATION NEWSLETTER

DECEMBER 2008

*Happy Holidays from all of us at the Louix Dor Dempriey Foundation!*

# The New Website is “Live!”

We are excited to announce the launch of our new website, [www.Louix.org](http://www.Louix.org). *We thank you for your patience and understanding during this time.* It is no coincidence that the website took exactly **nine months** to bring to fruition (i.e. to birth)—an outpicturing of this year’s theme, *The Year of Rebirth* (which Louix revealed last New Year’s Eve). This launch is also symbolic of the emergence of Louix and His ministry into the world.

Some of the website’s new features include:

- We have changed our name to [www.Louix.org](http://www.Louix.org)
- A completely new design and look
- The long-awaited advent of video, with several first-time offerings
- A brand-new online store, “Prasad”
- Captivating photo slideshows
- New audio discourses, with a jukebox selection feature
- Updated discourses and other writings
- Information about the newly-formed Louix Dor Dempriey Foundation

We invite you to visit the new website, explore its content, and submit your comments, stories, and feedback.

## Louix Dor Dempriey Foundation Update

We are happy to announce that, after several years of preparation, the Louix Dor Dempriey Foundation (incorporated in 2007) will be filing its application for 501(c)(3) non-profit status in January 2009.

At the beginning of next year, we will be announcing the short- and long-range prospectus (details available on [www.Louix.org](http://www.Louix.org)) of the Foundation’s mission, which will include a global mailing of a full-color Foundation brochure.
