### **RECENT EVENTS**

#### **New York City Events – February/March 2008**

Louix Dor Dempriey was invited to New York City by Dr. Blanca Greenberg, Ph.D. for a series of events in February/March 2008.

On February 28<sup>th</sup>, Louix gave an evening of darshan at the Chapel of Sacred Mirrors, the world-renowned Alex Grey Galleries, in Chelsea, Manhattan ([www.CoSM.org](http://www.CoSM.org)). The event began with a Prayerformance by Thoth ([www.skthoth.com](http://www.skthoth.com)), who was recently the subject of an Academy Award-winning documentary. Over 80 people received a personal blessing and message from Louix.

Louix was interviewed by Christine Schiavone on the Staten Island television show *Spiritual Exploration*. The interview was broadcast on three consecutive Fridays, beginning March 21<sup>st</sup>. The interview will be featured on the new [www.Louix.org](http://www.Louix.org) website, which is currently under construction.

On March 1<sup>st</sup>, a One-Day Retreat was held at Mt. Manresa Retreat Center on Staten Island, which included kirtan with Lisa Kroft and Damaru, as well as meditation, discourses, discussion, and healings with Louix. The retreat was followed by a day of private audiences at Dr. Blanca Greenberg's Spiritual Path Holistic Center on Staten Island. During these events, people of many faiths and religions and from diverse walks of life came to seek Louix's blessing and guidance on issues such as health, relationships, parenting, and manifesting abundance.

Louix also performed alchemical prayer ceremonies at the Statue of Liberty and Ground Zero (the site of the 9/11 terrorist attack on the World Trade Center in 2001).

Footage of all of these events was captured by World of Love Productions for the upcoming, feature-length documentary, *A Great Awakening*, due for completion in 2009.

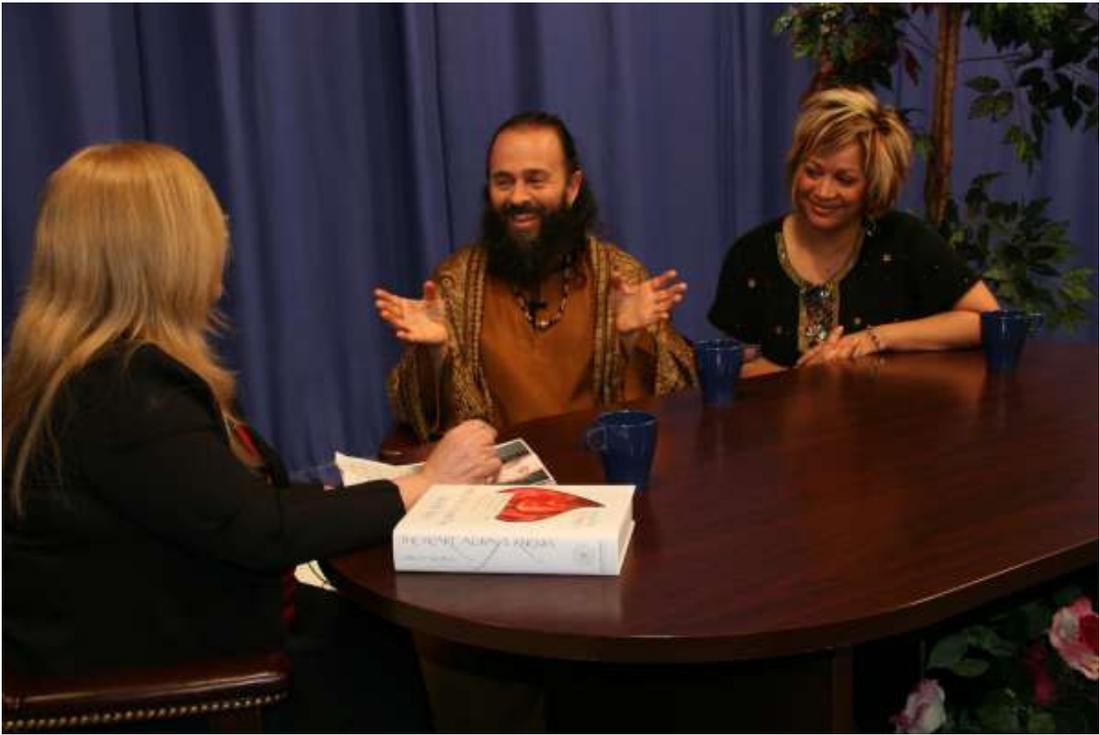

Study groups are now being established in New York and New Jersey. For more information about Louix, his ministry, teachings, and local study groups, contact Sylvia Zsido at [sylvia@Louix.org](mailto:sylvia@Louix.org).

## **“The Sanctuary” is for Sale!**

The home of Louix Dor Dempriey (“The Sanctuary”), which has been the ashram’s Mother Center since 2000, is being sold due to its imminent relocation to Maui, Hawaii. This beautiful home, located in Laguna Hills, California, is an historic landmark which harnesses the Grace of the Master, as well as the myriad blessings, healings, and transformations that have transpired there during the past eight years, including Louix’s civil wedding ceremony and the conception and birth of His daughter, Ariel Ganesha. We place this notice in our newsletter to make this rare opportunity to own and/or live in the home which has housed a God-realized being for 8 years, something virtually unavailable in the world of real estate. Secondly, we are sending out a clarion call to anyone who may have an interest in protecting and preserving this sacred temple for generations to come, as part of the archives and living legacy of Louix’s life and mission (as was preserved the home of Paramahansa Yogananda in Encinitas, which now continues to radiate His grace to the thousands who make pilgrimages there from all over the world). This is a once-in-a-lifetime opportunity. It is also possible that the new owner (if a long-distance purchase is made) may continue to rent the home to certain disciples who would choose to remain and maintain a Southern California ashram/center in Louix’s name.

The MLS number for the home is S528922. A virtual tour of the home is now available at [http://www.us360.com/homes/viewer.cfm?tour\\_id=22318](http://www.us360.com/homes/viewer.cfm?tour_id=22318). For more information about the sale of the home, please contact realtor Jim Flanagan at (949) 922-7355 or [jim@jimflanagan.com](mailto:jim@jimflanagan.com).
